SUMMARY

B.Tech  Computer Science graduate with hands-on experience in Java, Spring Boot, JSP, Servlets, JDBC, Oracle Database, SQL, HTML, CSS, and JavaScript. Developed web-based projects using MVC architecture and database integration. Strong understanding of OOP, Collections Framework, REST APIs, and Microservices. Seeking an entry-level Java Developer or Software Engineer position.

TECHNICAL SKILLS

Programming Languages:

Java, JavaScript

Database:

SQL, Oracle Database, JDBC

Core Java

OOP Concepts, Collections Framework, Exception Handling, Multithreading, Stream API

Tools & Platforms:

Eclipse, Spring Tool Suite, VS Code, Git, GitHub, Postman, Maven, Apache Tomcat

Web Technologies:

HTML5, CSS3, Bootstrap, React.js, JSP, Servlets

Backend Frameworks:

Spring Core, Spring MVC, Spring Boot, REST APIs, Microservices

PROJECTS

Secure Bank — Online Banking System

Technologies: Java, JSP, Servlets, JDBC, Oracle Database, HTML5, CSS3, Bootstrap, Apache Tomcat

Description: Developed a secure online banking web application enabling user registration, login, account details view, and basic transactions. Implemented server-side business logic using Java Servlets and applied MVC architecture for clean separation of concerns.

Employee Management System

Technologies: Core Java, Collections Framework, JDBC, Oracle Database, HTML5, CSS3, Bootstrap, Apache Tomcat

Description: Built a console-based Employee Management System to store, update, search, and delete employee details using Java Collections and database integration.

Student Result Portal

Technologies: HTML5, CSS3, Bootstrap, JavaScript, Java, JSP, Servlets, Oracle DB

Description: Developed a small portal for students to check their results online. Backend built using Servlets with proper validation and database connectivity.

EDUCATION

Java Full Stack Development, Naresh i Technologies

2025 – 2026 | Hyderabad, Telangana

Bachelor of Technology (B.Tech) in Computer Science, Oxford college of Engineering and Management, BBSR (BPUT) CGPA 8.05

2020 – 2024 | Bhubaneswar, Odisha

Intermediate in Science (+2), Krushna Chandra Pipili Mahavidyalaya, Balasore (CHSE) Percentage = 48.17%

2018 – 2020 | Balasore, Odisha

Matriculation (10th), Ramprasad Nodal high School Chaumukh (BSE) Percentage = 70.17%

2016 – 2018 | Balasore, Odisha

STRENGTHS

- Problem Solving
- Quick Learning
- Debugging
- Communication Skills
- Team Collaboration

ACHIEVEMENTS

Completed 3 full-stack Java projects.

Maintained CGPA of 8.05 in B.Tech CSE.

Hands-on experience with Oracle Database and Java Web Technologies.
